

LOS JARDINES INSTITUTE + LA ORILLA FARM
TOGETHER FOR BROTHERS (T4B)

LET'S MAKE BIOCHAR

LOS JARDINES INSTITUTE
SATURDAY | NOV 21 | 10AM - 1PM

WORKSHOP + LUNCH

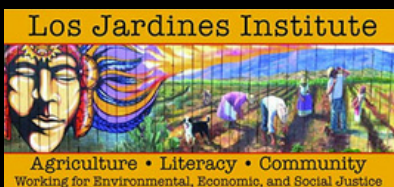

803 La Vega Drive SW | ABQ, NM 87105

Join us for an educational hands-on activity making Biochar with Michael Reed of La Orilla and farmers at Los Jardines.

Biochar serves as a reservoir for vital nutrients, increases water retention and microbial habitat for more resilient and healthy soil.

Come in closed toe shoes and proper attire to learn for yourself!

The Brothers at T4B will be there to help with work youth.
