2. Keystone of Galvez, will be served by underground electric distribution system, except where an overhead electrical distribution system previously exists. However, all electric service to each residence must be underground.
3. Keystone of Galvez will be served by a community sewer system, in accordance with Parish and State regulations. No private sewer system will be permitted on any lot.
4. Water will be made available to each lot owner by arrangements with a Water Company or other such entity providing water to Keystone of Galvez in accordance with its rates and requirements of the Ascension Parish Health Unit and the State Board of Health. 6. (A) No building shall be erected, placed, or altered on any lot affected by these Restrictions until a complete set of Construction plans, and a plot plan showing the location of the structure to be so erected, placed or altered has been submitted to and approved by the Architectural Control Committee ("ACC") as to quality of workmanship and materials, harmony of external design with existing structures and as to location with respect to topography and finish grade elevation. All buildings constructed on the lots affected by this Act must consist of masonry material, such a stucco and/or brick, or vinyl. No imitation stone or imitation brick will be allowed without Architectural Control Committee approval. Old brick or new brick is allowed, as approved by the ACC. All windows and doors must be approved by the Architectural Control Committee. (B) All buildings built on any lot to serve as a home shall have brick or masonry material on the entire front wall of the building that is facing the public street, except for light fixtures, doors, and windows.

The Architectural Control Committee shall have the authority to vary front, side, or rear building lines requirements in cases where, in its opinion, topographical features warrant such a variance or where lack of such variance would cause the destruction of one or more desirable trees, except that in no instance may the front, side or rear building lines requirements be less restrictive than required by the zoning ordinance for the Parish of Ascension, State of Louisiana. For the purpose of this covenant, eaves, steps and open porches shall not be considered as a part of a building, provided, however, that this shall not be constructed to allow any portion of a building on a lot to encroach upon another lot. Should construction not commence or not be completed for reasons beyond the control of the lot owner or his contractor, such as acts of God, strikes, national calamity, or similar events, then the time deadlines provided herein shall be extended by the ACC in proportion to the delay caused by the event. Notwithstanding anything contained in this Paragraph 16, the requirements of this Paragraph are waived as to any lots owned by A T Management Company, L.L.C., First Horizon, Inc., and/or DSLD Homes, L.L.C., as the case may be, and further the requirements of this Paragraph are waived as to any Assignee of A T Management Company, L.L.C., First Horizon, Inc., and/or DSLD Homes, L.L.C., so long as Assignee purchases all of the remaining lots from A T Management Company, L.L.C., First Horizon, Inc., and/or DSLD Homes, L.L.C. that are affected by this Act and that have yet to have a building and/or residence constructed thereon and sold to an individual homeowner.

The Homeowners Association may enforce the subdivision restrictions and the restrictions for other filings, represent the subdivision in any public matters affecting the subdivision, promote subdivision activities, and provide for the maintenance of subdivision entrances, common areas, lakes and ponds. Such notice of filing suit shall preserve the privilege until the court in which the suit is filed shall order the cancellation of the inscription of the lien and the notice of filing suit upon the lien, or until the claimant authorizes the Clerk of Court or the Recorder of Mortgages to cancel such inscription. Any charge, penalty, assessment or lien provided for herein shall bear legal interest from the date of the certified letter to the lot owner until paid.
