

COACH SYAZMIL

Coach Syazmil began playing badminton at the age of five. With unwavering ambition and perseverance through numerous selections and challenges, he earned a place on the Malaysian National Team, competing in both local and international tournaments. Since 2021, he has continued his badminton career in the U.S., excelling as both a coach and a player.

As he continued competing in high-level tournaments, he achieved a national ranking of #2 in both Men's Doubles (MD) and Mixed Doubles (XD) in the U.S. in 2024. His accomplishments extend beyond his success as a doubles player—he has also been a dedicated coach, training students from a young age to adulthood in both singles and doubles. Through coaching, he realized his deep passion for mentoring and witnessing his students' progress. His ambition in badminton has driven him to become an elite-level coach, always striving to impart his knowledge and experience to his students, working together to achieve their goals.
