

When we fall in love, we may experience:

- ♥ **a heightened spiritual awareness**
(feeling the oneness and joy of the universe)
 - ♥ **an increase in our senses**
(we see, hear, touch, and taste things differently)
 - ♥ **a more confident self**
(we feel sexier, playful, intelligent, beautiful, handsome)
 - ♥ **love chemicals at work**
(euphoria, increased energy and libido)
- and*
- ♥ **a sense of purpose**

The purpose of Romantic Love is:

- ♥ to give us a taste of our full potential
- ♥ to bond us with a person who offers the possibility of healing and growth
- ♥ the catalyst for getting us on the road to a conscious journey

With whom do we fall in love?
