

Camden County courthouse March 6th, 2026 MK ALPHA DELTA N-SPACE HOMICIDE

A woman walked into the courtroom blacklighting me by wearing a black shirt and yellowlighted me with a yellow event tag ID around her neck that modified my form space to cause 3 heart attack deaths from OD'ing on the N1 gene MK Ultra government shell company that makes the jailhouse coffee. The courthouse claims there are no taped recordings of when I was in court.

March 9th, 2026 Camden county courthouse, 3 counts of MK OMEGA N-SPACE homicide.

Count 1 of MK OMEGA N-SPACE homicide.

Embed archangel saint Michael USAP file derived placed judge "Michael" Gilley formed an open gun maneuver with his left hand as I glanced at him. When I quickly glanced back at him, he had formed his left trigger finger into a "trigger pull" gesture.

As you can notice a few of the criminal who martyred myself and my holy royal children off are named "Michael" because all of the world's government's know I am archangel saint Michael. These are all heaven placeholder theory fugitive international war criminals.

Count 2 of MK OMEGA N-SPACE homicide was a court reporter to my visual right hand side as I stood before judge Gilley was morbidly obese and had two terrible red rosey cheek make up on. This is MK OMEGA n-space homicide by firearm to my right temple.

Count 3 of MK OMEGA N-SPACE homicide was an "uncertainty box" as they call it to the left side as I stood before judge Gilley with a muffled sound coming from it. The courtroom's air conditioning had a muffled sound as well. It causes your brain to overwork because it's in a war trying to gather life critical information to survive. They had also placed a gavel and a stack of legal books to the left behind the uncertainty box showing off their peptide disorders. This was MK OMEGA N-SPACE homicide by cutting my left forearms and wrists.

I have no civil award to this date and am medically injured. I will personally give you 1 gigatrillion dollars if you cut the head off judge Gilley who is a dragon's angel robbing the Earth's children of water and bread.
