

SUPER Detailed Registration Instructions

Step 1: Go to www.stxkidmin.org/kids-camp and click on the 'Register Here' Button.

A new window with the online registration form will open.

Read the details, then toggle over to 'Register'

Step 2: Create a Group

Each church needs to create their own group. The group leader should be the primary camp organizer/leader.

The name of your group should be your church name and city (i.e Northwood Spring; New Life Kingwood; First AG Huntsville)

Step 3: Select Your Groups Registration Type

Select the registration that will be most common depending on which camp deadline you think the majority of your group will meet.

Step 4: Add Your Email Address

This should be the email address for the primary group organizer/leader.

Step 5: Create a Passcode for your group - something simple and easy to remember.

Step 6: Create a Passcode for managing your group.

This should be a little more selective. Management access should only be given to primary group leaders to minimize confusion and limit who can make changes to the group.

Step 7: Add name and contact information for primary group organizer/leader

Next, you have a few options...

Option 1: Designate a Camper Registrar

- Hand out the 'Camper Registration Form for Church Use Only'
- Forms are turned in to Camp Registrar
- Camp Registrar handles online registration

Option 2: Parents Register

- Email out the Online Camp Registration Link to parents.
- Parents register their individual kids
