## POOL RULES

July 31, 2025

Hello Fellow Homeowners and Tenants,

It's that time of year again when we'll use the pool and pool area more often, and we'd like to remind you of some of the rules and regulations. The rules apply to anyone who uses the pool/pool area meaning owners, tenants and their guests. Some of the rules are:

- NO children under 16 years of age without an adult inside the pool area supervising
- No glass containers
- Pool hours are from DAWN (sunrise) to DUSK (sunset)
- No playing with cleaning or safety equipment
- Climbing the fence is not allowed
- NO pets inside or outside of the pool area
- If you wish to have a pool party, please email or text the Board for awareness purposes ONLY (use contact information above)
  - We cannot stop other homeowners, or tenants of homeowners, from using the pool or pool area during the time of a party.
- Absolutely NO alcoholic beverages
- Proper swim attire must be worn always; infants must wear swimmer diapers
- Shower before entering the pool
- NO DIVING ALLOWED

Please be courteous and consider your neighbors:

- Keep the music level low so as not to disturb the neighborhood
- Keep the bathrooms clean and do not abuse them
- Keep the pool area neat and clean, remove all party supplies and if possible, dispose of items in your garbage can

**Pool use privileges are exclusively reserved for homeowners, or tenants of homeowners, who are current on their monthly maintenance assessment. Article II, Section (b).**

Additionally, pool safety regulations must be always observed otherwise the use of the pool will be denied to all violators. Article XIX, Section 6.
