

# Altar Flowers

**Date of Altar flowers:** \_\_\_\_\_

**Altar Flowers By:** \_\_\_\_\_

**In Memory of:** \_\_\_\_\_

**In Honor of:** \_\_\_\_\_

**Other:** \_\_\_\_\_

**Check option below:**

**I will make my own arrangements with the florist of my choosing according to the information below.**

**I ask Angela to make these arrangements.**

**Options:**

1. County Market is offering \$40 carnation arrangements. You can choose specific colors if the office is notified the week before you would like to purchase your altar flowers. For an additional fee you can choose flowers other than carnations. If you decide to use this option please notify Angela in the church office. **County Market: Phone-** (309)-734-7393 and press 1, **Address-** 1120 N 6th St, Monmouth, IL 61462

2. Flowers Are Us is offering \$40 dollar arrangements. The delivery fee will be waived for First Lutheran Church Monmouth. You have options for choosing flowers that are in season or you could allow the florist to choose flowers that are available to them. If you do decide to go this route you will need to come to the office and pick up the Church's vases on the Tuesday before your chosen date and take them to Flowers Are Us. After service you may take home the flowers or you may give them to someone. Please make sure to bring the vases back to the church office the Tuesday after church services. **Flowers Are Us: Phone-** (309)-734-2733 **Address-** 123 S 1st St, Monmouth, IL 61462

3. The last option for altar flowers is that you could choose your own florist or bring in flowers and arrange them yourself. If you do decide to go with this option please let Angela know in the church office. The vases will also need to be picked up after use and brought back to the office by the Tuesday after church services.

**Please contact Angela in the office if you have any questions or to make arrangements for altar flowers @ 309-734-2106.**

When taking flowers home, please bring the vases back to the church office by the following Tuesday.
