510 North 4<sup>th</sup> ~ Hiawatha, Kansas 66434  
Barron: (785) 741-4258 Athena: (785) 741-0767

**Please read this. It explains a lot!**

**Before we say anything else, this is what we are about, our Philosophy has ALWAYS been:**

**1. In most cases, our job is to work ourselves out of a job. 2. If you want a “yes” firm...look elsewhere. We always work for your best interests. 3. We will NEVER charge you what we are worth, and you will NEVER overpay us for our services. 4. We give you honesty. We expect it in return.**

We don't train based on “opinion” or “minimum requirements”. We have standards and guidance that back up our every statement. And we give all that to you!

Even when predicting trends, we use good solid data, which we share with you.

You don't deserve any less.

We are currently doing Zoom Seminars — to get us through until we can come to you in person again (see our great onsite offer below!).

Our goal is keeping your Training Compliance up and your BSA/AML Risk Awareness at the top of your game!

**The Pandemic didn't stop Compliance Requirements.**

**And the New Year brought new regulations you need to know! And new audit requirements.**

**Live 4-Day Training Onsite Offer:**

With your help, We need to figure out how this is going to work. With smaller attendance, we will certainly do more presentations for you. We will get right to the “meat” without a lot of historical lead in. Help us figure it out AND benefit from a great price!

**Where we used to do just one seminar on your engagement, we will now present 3 general trainings:**

**3 Money Handler trainings & 3 Non-Cash Department trainings.**

The CDC suggests 3' spacing between students\*, so we will plan your schedule accordingly.

\*we have a protocol list

Far too many casinos have lost their BSA/AML Momentum, and we want to help revitalize your team members! We are prepared to spend one-on-one time with Compliance Officers to discuss the new Regs and Guidance.

**4 days of Training and BSA/AML Consultation in a \$4500 package. (Plus lodging).**

**YES, we are Vaccinated.**
