Insurance Indemnity

I, _____ have been advised by Legiztix, Inc, that marine insurance must be placed on all cargo unless the cargo consignee requests not to take insurance on freight. I understand by electing not to take out marine insurance on my cargo that I am insuring it myself and will not hold Legiztix, Inc. Shipping and Delivery Services, their agents or anyone other than myself liable for loss or damages that may occur while my cargo is in possession of Legiztix, Inc. Shipping and Delivery Services, or their agents or while in transit aboard their vessels.

I have read the above and understand that I have already placed other insurance on my cargo, and/or do not want Legiztix, Inc Shipping and Delivery Services to insure my cargo.
