

DON'T LET ALGAE PARTY IN YOUR POOL THIS SUMMER

IT'S AS EASY AS

1

Switch to the Sustain® Pool Care System

The proven pool care system with an Algae-FREE Limited Warranty!*

SUSTAIN SUMMER SHIELD LIQUID CHLORINE EXTENDER

Apply once at pool opening. Lasts all summer long! Shield stores excess chlorine and only releases it when needed most to prevent algae.

2

SUSTAIN SHIELD ENERGIZER TABLETS

Routine use of these ¾" tablets provides shocking protection. Also acts to keep Summer Shield fully charged with a back-up reserve of chlorine.

3

SUSTAIN 3-INCH BLUE CHLORINATING TABLETS

Provides the general sanitizing protection you need all week long. Works with a special adjustable delivery cup (packed inside) to control delivery of chlorine. Not too little, not too much...just right.

**If you use the Sustain system and get algae, we'll supply the chemicals to get rid of it at no charge.*
