### **DAY 1 – Tuesday, Oct. 19 (D)**

We depart the Roanoke airport at 7:00 a.m. for Charlotte. Our Charlotte flight to Burlington should arrive around noon. Our private charter coach and driver will meet us at the airport. We then go to downtown Burlington where you are on your own to have lunch and explore the historic downtown at the Church Street Marketplace. <https://churchstmarketplace.com>

Dinner will be as a group.

### **DAY 2 – Wednesday, Oct. 20 (B)**

There will be a lot of variety in what we see today. We will visit the Trapp Family Lodge, a 2,500-acre resort that is managed by Sam von Trapp, son of Johannes von Trapp. That's right, the Austrian family that inspired *The Sound of Music*. We spend time in the charming historic downtown Stowe where you will have time to shop and explore. We also visit Cold Hollow Cider Mill, a long-established Vermont family business that is the largest maker of fresh cider in the Northeast, producing more than a million gallons a year. You can watch cider production using age-old methods, sample fresh cider and other products made with it, and browse through the mill's extensive offerings of specialty food products, novelties and gift items. If it has reopened, we will visit Cabot Farmers' Store – say "cheese"! And, of course, we will go to the Ben & Jerry's in Waterbury, the site of their first factory.

Our short drive from Ellsworth lands us in Bar Harbor and Acadia National Park for more stunning scenery. Acadia National Park is a 47,000-acre Atlantic coast recreation area primarily on Maine's Mount Desert Island. Its landscape is marked by woodland, rocky beaches and glacier-scoured granite peaks such as Cadillac Mountain, the highest point on the United States' East Coast. Among the wildlife are moose, bear, whales and seabirds. The bayside town of Bar Harbor, with restaurants and shops, is a popular gateway. We will spend the day exploring these places. <https://acdiamagic.com>

**DAY 6 - Sunday, Oct. 24 (B, D)**

We depart Ellsworth and head to the Maine Maritime Museum. Founded in 1962, Maine Maritime Museum sits on a beautiful 20-acre campus on the banks of the Kennebec River in “The City of Ships,” Bath, Maine. The museum is dedicated to promoting an understanding and appreciation of Maine’s maritime heritage and culture. We will take a shipyards and lighthouses cruise on the Kennebec River where shipbuilding began more than 400 years ago and continues today. We will see spectacular views of the Navy’s most advanced ships taking shape and will then cruise down river to enjoy a water view of the museum’s historic shipyard and two of the Kennebec’s famed lighthouses: Doubling Point Light and the Kennebec Range Lights. <https://www.mainemaritimemuseum.org>

And what better way to spend our last evening on tour together than with a Maine lobster bake! This meal is included in the tour and will be privately catered to our hotel just for us.
