At Whitsun in 1634, they fulfilled their promise for the first time. By the middle of the 18th century, spectators from all over Germany came to Oberammergau attracted by the great power and atmosphere of the play. 2022 will see the 42nd instalment of the play that the citizens of Oberammergau have maintained through the centuries with unique continuity. In a five-hour-performance, more than 2000 participants bring the story of Jesus of Nazareth to the impressive open-air stage of the Passion Play Theatre. Almost half of Oberammergau's population will devotedly act out the story of the man whose tidings for more than 2000 years have brought hope and power of life to an incredible number of people.
