CAPABILITIES STATEMENT

COMPANY OVERVIEW

White Raven Security is an SBA-certified Woman-Owned Small Business based in Charlotte, NC. We specialize in supporting U.S. defense contractors with their cyber security needs. Our team has decades of technical and security experience, with a wide breadth of knowledge ranging from cybersecurity governance, risk, and compliance to the design of facility-related control systems (FRCS).

DIFFERENTIATORS

- All security personnel meet DoD 8140.03 (IAM/IAT Level 2 and higher) and/or participate in the CMMC ecosystem. Our certifications include Certified Information Systems Security Professional (CISSP), CMMC Certified Assessor (CCA), CMMC Certified Professional (CCP), CMMC Registered Practitioner (RP) and Certified SCADA Security Architect (CSSA).
- Special training in cybersecurity for Platform Information Technology: Industrial Control Systems Cybersecurity CISA, ISC-CERT, Idaho National Labs (INL).
- Extensive experience developing holistic, tailored security programs based on over 25 years of participation within the Defense Industrial Base (DIB).

PAST PERFORMANCE

- NIST Gap Analysis and CMMC Preparations for over 60 DIB clients ranging in size from 1 to 800+ employees.
- UFC 4-010-06 FRCS Design and Specifications at: Forts Liberty, Meade, Moore, Wainwright, Drum, and Stewart; Aberdeen Proving Ground; Maxwell, Seymour Johnson, Little Rock, Robins, Offutt, Kirtland, and Buckley AFBs; Joint Bases Charleston, Lewis-McChord, and Pearl Harbor-Hickam; Camps Mackall and Lejeune, NC, Atterbury, IN, and Lemonnier, Djibouti; The Navy Yard, Philadelphia, PA; Naval Stations Oceana, Great Lakes, Mayport; Raven Rock Mountain Complex, PA; MCAS Cherry Point, NC; and JEB Little Creek-Fort Story, VA.
- Projects supporting USACE, NAVFAC, and National Guard on the following facility types: Barracks, Special Operations Facilities (SOF), Storage, Active Vehicle Barriers (AVB), Training Centers, Child Development Centers, Laboratory, Access Control, Education, Testing and Machine, Microgrid, Research, Recycling, Administrative, and Physical Fitness.
