

# BRADFORD FAMILY SWIM CLUB

*Creating family summertime memories since 1965*

## OUR PROUD HISTORY

*In 1965, a group of citizens formed a Board of Directors under the name of "Bradford Swim and Recreation Center, Inc." (BSC). The intention of this group was to build a pool and recreational facility that would be an extension of one's backyard. Their vision is evident today in the Bradford Swim Club community.*

*The facility includes a 75'x75' swimming pool and diving pool with two separate kiddie pools. A splash pad and playground are recent additions. The Club provides a shaded eating area, Snack Bar and grill for the members' enjoyment and fields for sports and games.*

## VALUES

*Bradford Swim Club continues to be a family-centered swim club where children and families can experience old-fashioned summers. There are many social activities offered throughout the summer to foster friendships and community.*
