- 1 “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
- 2 “Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.
- 3 “Number of On-Time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-Time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- 5 “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.
“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- 6 “Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- 7 “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- 8 “Salary” is as reported by graduate or graduate’s employer.
- 9 “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Officially registered SRCS students retain the right to cancel this Enrollment Agreement at any time and receive a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later, by submitting a Withdrawal Form to the Director, Office of the Registrar, Southern Reformed College & Seminary, 4740 Dacoma St., Suite H, Houston, TX 77092.

Definition

- 1 “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
- 2 “Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.
- 3 “Number of On-Time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. “On-Time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- 5 “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.
“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- 6 “Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- 7 “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- 8 “Salary” is as reported by graduate or graduate’s employer.
- 9 “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
