WHAT IS GOC?

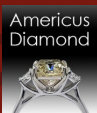

Guardians of the Children is a 501(c)(3) nonprofit of motorcycle enthusiasts dedicated to helping children who have experienced abuse, ages 0–17, reclaim their strength, confidence, and courage. When a child makes an outcry and meets our criteria, that child is "adopted" into our family as a Little Guardian.

We stand beside them in and out of court, show up at school or community events by request, and host five private "Little Guardian" events each year; safe, joyful spaces where they can connect with peers who've faced similar trauma and remember what it feels like to be carefree.

Every child has all the power and strength within themselves, just like a motorcycle on the open road, and the biker behind it, we just encourage them to unleash it as we fight their demons together.

THANK YOU TO OUR WONDERFUL SPONSORS:
