

Guardians of the Children, San Antonio

Serving the greater Bexar County area
1956 S WW White Rd
San Antonio, TX. 78222

Dear Recipient,

During a normal day in Bexar County, an average 60 children suffer at the hands of an individual. Yearly, over 25,000 kids in Bexar County will come forward reporting child abuse. In 2022, Bexar is ranked the 2nd worst county in Texas for Child Abuse for the year, and on a 10 year average. Last year 19 of those children in Bexar County passed away at the hands of their abuser (1).

Guardians of the Children San Antonio is a children's advocacy organization, registered as a 501(c)3 charity which provides emotional, and physical support for Children who have faced abuse in Bexar County. Established in 2006, with a dual purpose: assist those who have faced abuse and educate the public on recognizing and reacting to child abuse. As a completely volunteer organization, the members receive no compensation for their time or services rendered. The mission of every member is to be a resource of strength for of a child or teen who has faced abuse, and through education assist others in doing the same.

During a normal year, 100 families on average are enrolled in programs offered by Guardians of the Children San Antonio, and through countless interactions with the public, we educate on the signs of abuse and how to respond. The 100 families enrolled in programs with Guardians of the Children are engaged through events hosted throughout the calendar year. Easter, Back to School, End of School, Halloween, and Christmas are the main events hosted by the Guardians during a year, including numerous home visits, school functions at the request of the families, and court visits. Unfortunately, the impact of abuse lingers with children well after a verdict is read. We engage the families enrolled monthly, and continue to assist them beyond the court room, until the child turns 18 or chooses to exit the program. A core belief of Guardians of the Children is to assist our youth in developing a safe family environment and instill in them to never feel guilty for speaking out against their abuse.

Every family directly cared for by Guardians of the Children is required to have an outcry made by the child and a police report on file. We do this to maintain positive assurance we are dealing with abused children in the system and not engaging in civil matters that are unrelated to a child being abused.

In order to facilitate our program needs throughout the year, we host an annual fundraiser. We raffle off a brand-new Harley Davidson motorcycle each year, to provide for families enrolled and our educational needs during the year.

We also partner with local businesses as a sponsor on the date of our fundraiser. Sponsors such as Americus Diamond, HEB, Target, and James Avery, have supported and continue to support our mission throughout the year.

Our 17th annual fundraiser will be held at Helotes Fairgrounds in partnership with the Helotes Festival Association, September 16th, 2023. We are currently seeking limited opportunities for sponsors related to aspects of our fundraiser. In return we will promote those sponsors directly to our guests and include them in pre and post advertising. All funds received are tax deductible and facilitates impacting and changing the life of a child. Below is a list of what we are seeking sponsors for, either in joint or single donations. In addition, we are excited to offer two unique sponsorships *Sponsor a child* and *Sponsor Siblings*, which allow a sponsoring individual or company to sponsor a child through our program services for the year.

Please prayerfully consider helping us change the life of a child.
