Project Five Online *Classroom Sponsorship*

Public speaking programs to help students in
grades 4, 5 and 6 find their confident voices.

*Created as an online option for classrooms outside the
Edmonton area.*

About Project Five

- Interactive 5-video public speaking units for grade 4, 5 and 6 classrooms
(Developed for schools outside the Edmonton area)
- Created and hosted by Carmen Leibel, a professional public speaker, emcee, and former broadcast journalist
- Short, engaging videos designed to build confidence and gain essential public speaking skills
- Includes speech writing and activities to reinforce learning
- Teacher's lesson plans are tailored to grade level and curricular outcomes
- Includes rubrics, developed by Canadian educators
- Each student delivers a short, prepared speech on day 5
- For classroom use over one school week or at teacher's preferred pace

Class Sponsorship Opportunity

How Class Sponsorship Works:

- Your business/organization purchases a Project Five Video Series (\$197+taxes per class)
- A grade 4, 5 or 6 class receives program at no cost to the school (Sponsor chooses school)
- Teacher receives all lesson plan materials, activities, and rubrics
- Students complete the series during class time
- Recognition of your business/organization on the Project Five website and social media outlets
- A thank-you mention of your business/organization in communications with class

Your Impact:

- Sponsorship reaches 20–30+ students/class
- 5 structured communication lessons for each student
- Skills that support confidence, leadership, and future success
- A simple, tangible way to invest in education and youth development

PROJECT FIVE - TESTIMONIALS

“Project Five helped me conquer my goals of being able to speak confidently in front of my peers and teachers.”

-Grade 6 Student

“This is an outstanding program. Carmen delivers a program that is fun, engaging and very high quality. The kids don't even realize how much they are developing!”

-Grade 5 Teacher

"Thank you again for such a wonderful way to build confidence in my children."
-Parent of Grade 5 and 7 Students

"The program is well thought out and linked to curricular outcomes that can easily be applied in all subject areas, not just language arts."
-Grade 5 Teacher

"Project Five helped me make eye contact with my audience."
-Grade 5 Student
