

**Rebecca Bennett**

Originally from New Jersey, in the “garden” part of the Garden State, Rebecca made her way to Austin via CA, CO, MO, and KY in 1997. She began a professional art career in 2002. In addition to a lifelong study of art, her BA included studio art, and art history studies. Her painting work explores the dynamics of color, line, and texture through the perspective of the five elements referenced in various spiritual philosophies, earth, wind, fire, water, and void (ether).

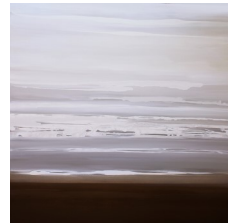

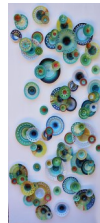

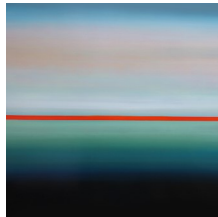

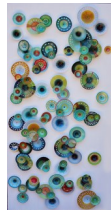

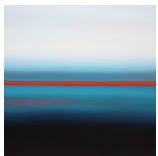

Rebecca’s work can be seen in corporate, hotel, residential, and hospitality settings across the US and Europe.
