My work comes from a place of curiosity and questioning what's going on around me, what's my role and how do I move through it?

Things used to seem a lot more complicated so it's interesting that I've entered a place where I have space, ease and am on the verge of developing a sense of humor.

The journey of these pieces illustrates a story about letting go.

Price List

My Weekend With Harvey
66 x 82

5700.

I can't wait until the end of this story
66 x 66

4900.

When you need some room, you need the room
