## A ROOM WITH A VEUVE (/AUSTIN/PARIS-IN-A-BITE-RESTAURANT-MACARON-TOWER-MENU-DAVENPORT-VILLAGE)

April 24th, 2018

*Enjoy tiny French delights at Paris in a Bite.*

The closest you're coming to a Parisian vacation is the Bordeaux aisle of HEB.

Live out your Francophile fantasies at Paris in a Bite (<https://parisinabite.com/>), now open in Davenport Village. Conceived by a French couple living in Austin, the petite cafe and shop offers a picturesque selection of artisan chocolate, a rainbow array of macarons, flaky croissants, baguette sandwiches with foie gras, and even caviar - we love to order the "eat my mood" tin. Pop in for a glass (or deux) of Veuve to sip at a bistro table in front of the Eiffel Tower (<https://www.instagram.com/p/BgH0bWFDBTd/?taken-by=nataliaisabelle>) while you obsess over Carine Roitfeld's pencil skirts on Instagram. They stock an assortment of the yellow label's destination gift boxes (<https://www.instagram.com/p/BardZa7Bs7E/?taken-by=veuveclique>) for the international traveler in your life, and you may even learn a little something from the owners' mini French vocab lessons (<https://parisinabite.com/french-lessons>).

C'est si bon bons.
