Po Kitties

Polk County, NC, Landrum, Gowensville, and Campobello in Upper Spartanburg County, SC.

Po’Kitties traps feral cats and has them sterilized, vaccinated for rabies, and ear-tipped before returning them.

For more information about this program or about getting help to spay and neuter feral cats you are feeding, please call Dana Mayer @ 828-243-1852 or email:

danammayer@gmail.com

Cat Trap Depot has trap rentals for Spartanburg County residents, 3 traps per person, per loan period (3 weeks) Donation of at least \$5 is greatly appreciated.

Greenville County

Greenville County Animal Care

GCAC will spay or neuter community (free roaming) cats at no cost to citizens of Greenville County. All feral cats will be vaccinated, spayed or neutered, and ear-tipped

Community Cats are accepted for surgery with curbside check-in Monday - Thursday between 8 - 11am. A clinic employee or volunteer will meet you outside. Cats must be brought in a humane cat trap in order to participate in the Community Cat Diversion program. One cat per trap. Limit 2 cats per household per day. There are a limited number of surgeries available per day on a first come, first served basis.

Greenville Humane Society

No appointment is required for GHS' Fix Your Feral program. Drop-off hours are Monday through Friday between 7:30 am and 10:00 am. In order to qualify for their discounted fix your feral pricing, all cats must arrive in a humane trap and are required to receive an ear tip. No exceptions. They limit drop-offs to two feral cats per person each day.

GHS charges \$55 for a female feral or \$45 for a male feral, HOWEVER - vouchers can be purchased through Speak For Animals for just \$25 to fix either female or male ferals.
