My veterinarian is (include phone # & city where vet office is located if possible):

Please list your current pets and any pets you have had in the past 5 years below:

Name & Breed Sex Age Spayed/ # Years

Spayed/Neutered?

Still with you? If not, why?

Cat/Kitten Information:

Cat/Kitten Name: _____

Microchip ID #: _____ Est. Age: _____ M/F: _____ Breed: _____

Color/Description: _____

Please read thoroughly and initial that you agree and will abide by the following conditions.

___ I am at least 18 years of age and reside in a residence I own OR one I rent that is pet friendly. I am adopting a cat/kitten today for the sole reason of said cat/kitten being a companion animal.

___ I agree to always provide the necessary care for the cat/kitten I adopt today. This includes, but is not limited to humane treatment including food, water, shelter, proper veterinarian care, socialization and love.

___ Every cat/kitten available for adoption is a rescue animal and has possibly been exposed to a variety of diseases (in the shelter, outdoors, etc.) and South Carolina Community Cat Project recommends the cat/kitten be seen by a veterinarian within 3 weeks of adoption to verify health and establish a program of preventative health care. South Carolina Community Cat Project does not guarantee the health of any cat/kitten adopted or assume any responsibility for vet care after adoption.

(864) 345-3257

___ Every cat/kitten (unless noted otherwise due to age/medical reason) has been implanted with a microchip before being adopted. It will be your responsibility to register the microchip. You also agree to always keep the cat's microchip information up to date.

___ The cat/kitten is being adopted for myself and will not be sold to any pet store, research laboratory, or surrendered to an animal shelter, etc. under any circumstances. If ownership of the cat/kitten is no longer possible, I will notify the South Carolina Community Cat Project. I will not re-home the cat/kitten via Craigslist, Facebook, etc.

*We will always take a cat/kitten back at any point after adoption.

___ I will not allow my cat/kitten outside without proper supervision. We encourage everyone to make every effort possible to keep your cat/kitten indoors.

___ You agree not to have the kitten/cat you are adopting declawed. It is an inhumane procedure.

___ The introduction of the cat/kitten to other pets in the household must be done with care as to not stress out either the resident pets or the new cat/kitten. In addition, a quarantine of your new cat/kitten is suggested until they get a clean bill of health from your veterinarian. *Many adoptions that do not work out are a result of improper introductions, please take this introduction seriously and slowly.

___ Cats/kittens rescued from the shelter can be kept in foster care for any period of time (from a couple days to a couple months). South Carolina Community Cat Project makes no promises as to the temperament of the adopted cat/kitten and is not responsible for future damages or injuries caused by the cat/kitten.

___ I give South Carolina Community Cat Project the right to inspect my home or call my listed phone number to assure that the cat/kitten is being properly treated and cared for. I agree the cat/kitten may be removed from my home if any conditions of the adoption contract have been violated.

___ Adoption fee of \$60 is non-refundable, even if the adoption does not work out and I have to return the cat/kitten.

I acknowledge a full understanding of all terms and conditions listed above. I acknowledge receipt of the cat/kitten named _____ and release South Carolina Community Cat Project from any liability for damage/injury hereafter caused by said cat/kitten. If needed, I agree to return said cat/kitten to South Carolina Community Cat Project making no charges of any nature for licensing, care, food, or other services. I agree to pay reasonable attorney fees and court expenses if South Carolina Community Cat Project must bring legal action against me to enforce this contract. I shall personally be responsible for the humane care and control of the cat/kitten. Representatives of South Carolina Community Cat Project shall be allowed to see the cat under the conditions set forth above.
