

## Saving Victims Disclaimer

Saving Victims is a professional coaching organization utilizing coaching, teaching and spiritual solutions. We work with complementary and alternative-care, licensed practitioners as well as a licensed clinical psychologist.

These pages are designed for educational and informative purposes only and Saving Victims will not engage in providing any specific medical advice.

The information provided here is not a substitute for professional medical care and should not be used for diagnosing or treating a health problem or a disease. Medicine is a rapidly changing field. Changes in the methods of diagnosis and therapy are ongoing as new applications or drugs are discovered and experiences are accumulated.

If you have or suspect you may have a medical condition, you should consult your own primary health care provider for further information and advice.

While all efforts have been made to ensure the accuracy of the information, Saving Victims, authors and its maintainers cannot be held responsible for the accuracy of the information contained on these pages, nor for any actions taken based on information provided by us.
