

East and West Barkwith Parish Council

Public Statement - Up-Date

The current situation regarding the Coronavirus was discussed in the course of the Council's July deliberations.

As both the government and the local council advisory bodies are still recommending not holding public meetings of councils, the members have agreed to abide by this and to continue the current system of electronic working for at least a further four months until the advice changes, with a review at the end of the civic year in March.

Reports on the council's work will be posted on the web-site and on the council notice board at the village hall at the usual two-monthly intervals.

During this period, any resident who wishes to bring a matter to the attention of the council can contact the clerk or any member of the council.

The councillors' contact details are on the web-site, but for those who have limited access please try the following:-
