## Annual Return - March 2021

With reference to Section 1 - Statement of Accounts:-

**Box 2 - Precept** - This figure shows an increase of some £900 to allow for the implementation of an increase in staff costs as the clerk's salary and hours had been reviewed in November 2019. (The previous review had been in late 2015, to take effect from April, 2016.) It was agreed that the rate should be increased to £12 per hour and the hours to 7 per week.

**Box 3 - Other Receipts** - This figure has increased this year by the sum of **£530.**

This was due to a drop in the VAT repayment of £59 and the fact that there were no small sums from collections etc., giving a total drop of **£106.**

These decreases have been offset by an increase of £107 in funds received for the Play Area and another of £29 for the Grass-cutting payment from the County Council, plus a grant from the District Councillor for £500 towards the purchase of the Speed Camera. This gives a total increase of **£636,** resulting in the quoted overall net increase in this section of **£530.**

**Box 4 - Staff Costs** - The review of the clerk's salary and hours has resulted in a rise in these costs of **£1,508.**

**Box 6 - Expenditure** - There has been a marked rise in this year's total, mainly due to the spending on the village hall of £2,649 (from its reserved grant), the speed camera, at £1,811, and the consequent increase in VAT of £807, giving a total rise of **£5,267.**

This has been offset by the Covid restrictions resulting in reductions to the needs of outside activities, such as the play area, and printed materials for circulation at meetings and to the community. Thus, play area and other activity costs are down by £231, and stationery and printing costs, with the clerk's travel to post notices etc., are down by £549, giving a total reduction of **£780.**

This gives rise to the net increase in expenditure of **£4,487.**

## East & West Barkwith Parish Council

**Box 7** - The total balance at the end of the year stands at **£19,124**

It includes the following **Reserved Funds**:-

Play Area - total reserved for replacing equipment -	£2,236
Grass-cutting - reserved for grass-cutting bills, planting, - and countryside projects	£5,737
Countryside - Grant for Owl and Bat Boxes - Project Complete -	Nil
Land sale - reserved for the major project in connection with the refurbishment of the village hall -	£3,000
History Group funds - small balance from grant plus contributions, reserved for the continuing local history work -	£872
Village Hall - balance of grant for refurbishment work -	£308
Total reserved funds -	<b>£12,153</b>

This leaves the general fund standing at **£6,971**, which may be a little low for a council of this size, but this is due to the one-off costs (after allowing for a grant) for purchasing the reactive speed sign.

In item F, of the Internal Audit Report the auditor has entered N/A as this council makes all transactions by payments into or out of the bank and everything is supported by the bank records. There are no Petty Cash transactions.

Item O does not apply as there are no Trust Funds.

A copy of the bank reconciliation is attached.

## LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

**Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.**

### The basic position

The [Local Audit and Accountability Act 2014](#) (the Act) governs the work of auditors appointed to smaller authorities. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act, the [Accounts and Audit Regulations 2015](#) and the [Accounts and Audit \(Coronavirus\) \(Amendment\) Regulations 2020](#) also cover the duties, responsibilities and rights of smaller authorities, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the smaller authority form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax.

### The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When smaller authorities have finished preparing accounts for the financial year and approved them, they must publish them (including on a website). There must be a 30 working day period, called the 'period for the exercise of public rights', during which you can exercise your statutory right to inspect the accounting records. Smaller authorities must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. **Legislative changes have been made as a result of the restrictions imposed by the Coronavirus for the 2019/20 reporting year which mean that there is no requirement for a common period for public rights. The period for the exercise of public rights must however commence on or before 1 September 2020.** The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the smaller authority that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

### The right to ask the auditor questions about the accounting records

**You should first ask your smaller authority** about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor's remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your smaller authority the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with their explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The

advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your smaller authority other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

### **The right to make objections at audit**

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the smaller authority's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the smaller authority. The notice must include:

- confirmation that you are an elector in the smaller authority's area;
- why you are objecting to the accounts and the facts on which you rely;
- details of any item in the accounts that you think is unlawful; and
- details of any matter about which you think the external auditor should make a public interest report.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the [Local Audit and Accountability Act 2014](#).

### **A final word**

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.
