

Vote for me to reduce taxes on your children and grandchildren.

My vision, my goals, are long-term. I refuse to save a \$1 today that will cost future generations \$15.

About me:

- I was married for 13 years to Dr. Janell Bennett
- Three children
 - Two are Texas Tech graduates
 - One, a Navel Academy graduate
 - Two grandsons

Nueces County:

Household income

- Average household income in Nueces County is less than \$70,000
 - We know the refinery workers make about twice that
 - There are too many families living on \$40,000 a year
- There are many ways to address raising the average household income.
 - More education
 - Encourage trades in high school
 - Emphasize that entry level jobs are not careers
