FOOTBALL PROGRAM

A BLUEPRINT FOR EXCELLENCE

01 PROGRAM

A journey to kickstart professional football development while simultaneously participating in the SFI high school supporting program.

02 RECORDINGS & ANALYSIS

The consistent utilization of video analysis & recordings. This practice aims to enhance players' performance by providing valuable insights, creating a comprehensive footage library spanning over the years, ultimately supporting their success in achieving future goals.

03 SPORTS SCIENCE & PSYCHOLOGY

SFI blends sports science and psychology, optimizing player performance through scientific principles and psychological techniques, fostering a holistic understanding of physical and mental well-being for athletes to excel on and off the field.

04 BENCHMARK TESTING

Benchmark testing at SFI develops players to meet professional football standards.

05 NCAA & AFS SHOWCASES

SFI players will have privileged access to various AFS pro showcases, AFS NCAA showcases, and an IMG NCAA recruitment showcase in the USA each year, providing them opportunities to secure scholarships for higher education or pursue professional careers in major Asian leagues.

06 SYNTHESIS

Synthesis will be achieved in the professional and university pathways, ensuring that pupils are eligible for both with top-notch coaching, Canadian education, years of profile preparation, and a holistic approach, guaranteeing them the opportunity for success.

07 CHOICE

SFI students will graduate with an array of choices, as they will emerge as football specialists through a comprehensive program that equips them to pursue professional careers or secure scholarships in the USA/Canada.

At the Summit Football Institute, our training program is built on a philosophy of holistic development, where every aspect of a player's game is carefully nurtured to unlock their full potential. Our commitment to excellence extends beyond the field, encompassing the mental, physical, and tactical dimensions of the game. The program serves as a catalyst for personal growth, fostering lifelong connections, and empowering athletes to reach new heights in their athletic careers and beyond.

Our coaching staff brings vast experience and expertise, providing tailored instruction to meet each player's needs. They serve not only as skilled technicians but also as mentors, inspiring and empowering athletes to excel in their athletic careers.

Our top-notch training grounds offer the ideal environment for player development, featuring meticulously maintained pitches and state-of-the-art facilities. Equipped with premier resources, players have all they need to succeed on their journey to greatness.

Recognizing the importance of balanced training, we prioritize player welfare, ensuring sessions optimize results without overtaxing the body. With 90-minute morning and afternoon sessions focusing on skill development, tactical understanding, and physical conditioning, players can thrive without overtaxing the body.

Additionally, players seize opportunities to showcase their talents at scouting events and collegiate showcases, opening doors for further athletic and academic pursuits. With our comprehensive program and exposure opportunities, Summit Football Institute empowers players to excel on and off the field.

FOUNDATIONS OF SUCCESS

THE COGNITIVE, PHYSICAL, AND TACTICAL EVOLUTION OF FOOTBALLERS

Unlocking potential is a journey of self-discovery and growth, where footballers cultivate their cognitive, physical, and tactical abilities, pushing boundaries to achieve excellence on and off the field.

PSYCHOLOGICAL

Fostering hunger for excellence alongside leadership, teamwork, and mental toughness.

TACTICAL

Understanding formations, defense, attack, and adapting to opponents' tactics.

PHYSICAL

Focusing on elite-level conditioning, injury prevention, rehabilitation, enhancement.

TECHNICAL

Mastering advanced technical skills: passing, dribbling, shooting, and ball control.

EVALUATION

TEAM SELECTION

Enrollment in our football program will entail evaluation of students' technical skills as a player. This assessment can be conducted either face to face during a trial day or through the submission of clips showcasing their abilities directly uploaded on the online application form. Based solely on their technical ability, students will be placed into either the A team or B team. It's important to note that the content of the football program remains consistent for both teams; the main distinction lies in the intensity and level of mastery. Age or education grade level will not factor into the evaluation process, ensuring a fair and merit-based selection.

CRAFTING EXCELLENCE

THE EVOLUTION OF PLAYER IDENTITY AT SFI

Upon graduation from SFI, these well-rounded players will be fit to pursue their career as a professional player or pursue higher education and receive scholarships as collegiate football players. At SFI, our football program offers a transformative journey for players, supplemented by masterclasses, matches, and scouting events. This holistic approach cultivates well-rounded athletes, honing their skills, tactics, mindset, and character. Through this comprehensive development, players forge a unique on-field identity, blending technical proficiency with strategic understanding and unwavering determination. As they progress, each player's individuality emerges, shaping their distinct player identity and propelling them towards excellence on and off the field.

ACADEMIC SUCCESS

UNLOCKING POTENTIAL ON AND OFF THE FIELD

At SFI, we believe that students should not have to compromise on quality of education to pursue their passion for football. Students can earn an Ontario Secondary School Diploma (OSSD) while excelling in their athletic pursuits. Unlike traditional schools, SFI's program allows players to seamlessly integrate their academic studies with football training, maximizing their time efficiency and minimizing fatigue. This balanced approach ensures that students can excel both academically and athletically without sacrificing one for the other.

At SFI, we prioritize the academic success of our students. Our dedicated team of academic advisors and guidance counselors, all Ontario-certified professionals, provide personalized support to help students navigate their educational journey. Whether facing challenges or seeking guidance, our advisors are there to offer assistance, ensuring students stay on track towards graduation. Moreover, our experienced education facilitators in the physical classroom provide additional support, including ESL courses for students requiring language assistance. With supervision and support at every step, students can progress well and complete their education credits on time to graduate with the OSSD.

SFI's commitment to standardization ensures that credits earned through our program are universally recognized. This opens doors for students to apply for NCAA scholarships upon graduation, providing exciting opportunities for higher education and future career endeavors. By combining academic excellence with athletic prowess, SFI empowers students to pursue their dreams both on and off the field, unlocking a world of possibilities for their future success.

PATHWAY

TRANSITIONING TO COLLEGIATE LEVEL AND PROFESSIONAL FOOTBALL CAREERS

After completing the Summit Football Institute Program (SFI), talented athletes face two primary pathways: pursuing collegiate level football through an NCAA scholarship or kickstarting a professional football career. Before graduating from the SFI program, student-athletes will be thoroughly prepared to embark on either pathway, equipped with the necessary skills, knowledge, and guidance to continue their football journey successfully.

For those aiming for the collegiate route, the focus shifts to maintaining academic eligibility, enhancing football skills, and engaging in recruitment activities to secure scholarships. This path not only provides an opportunity to continue education but also to play at a competitive level while being scouted by professional clubs. On the other hand, athletes looking to jumpstart their professional careers must concentrate on building a strong CV, showcasing their skills in trials, and networking with agents and clubs. Success in either pathway requires dedication, continuous improvement, and strategic planning to navigate the challenges and opportunities in the world of competitive football.
