Churchill Downs Mission Statement

To contribute to the community by supporting and initiating activities beneficial to the community, the City of Lansing and society in general. To work cooperatively in solving problems affecting the health, safety and general welfare of Community residents. To establish effective communication links between the Association, residents, local government, and other community organizations.

CDCA Community Pledge

I pledge to give a portion of my time, a portion of my energy, and a portion of my resources to the community in which I live. And to set examples, not by token words I say, or by looking the other way, but by contributing whenever I'm able to help enrich the lives of my neighbors. Here, I make all my pledges in unity, reaping in return a great community.

City of Lansing Ordinance

Leaves

676.02 Unlawful deposits on public and private property. Do not rake or blow leaves onto the street. Place leaves & grass clippings in paper bags on your normal

collection day. Paper bags are available at most grocery & hardware stores.

Snow

1020.06 requires property owners to not allow any snow or ice to remain on any public sidewalk adjacent to their property for more than twenty-four (24) hours after snow has fallen or ice has formed.

Sidewalks must be kept clear at all times except during a weather event in which snow and ice are continuously accumulating. Property owners will have twenty-four (24) hours to clear snow or ice after it has fallen or formed on the public sidewalk.

Public sidewalks need to be free of snow and ice to provide a safe route for everyday use by your neighbors, postal carriers, school children, the physically challenged, elderly and others.

Trash & Recycling

1060.05 Approved containers shall not be placed between the sidewalk & curb prior to 4:00pm of the day before the collection date and must be removed no later than 7:00am the day following the collection day.

Bring a guest to our meeting and they receive a free raffle ticket!

Neighborhood Safety

LOCK IT UP

- Make sure each external door has a strong, well-installed deadbolt lock & reinforce doors with 1 ½ " screws.
- Reinforce sliding glass door by using a stick inside the track or install specifically designed sliding door lock.
- Lock windows & doors when you leave regardless of duration.
- Do not hide key. Give keys to neighbor you trust.
- Keep your garage door closed & all accesses to your residence locked.
- Always secure sheds & keep yard equipment & bikes secure.

SECURITY PERIMETER

- Install exterior lights & keep them on all night or use motion sensors.
- Keep yard clean & visible/Prune shrubbery so it doesn't hide a burglar's access to window or door.
- Cut back or remove tree limbs to prevent climbing access to upper levels.
- Shut your curtains and use them in basement as well.
- Get to know your neighbors – extra set of eyes.
- Consider a Monitored Alarm System and/or cameras.
