Moto Recovery

Waiver of Liability and Hold Harmless Agreement (Motorcycle Owner)

Purpose:

Moto Recovery is a nonprofit 501(c)(3) mutual aid organization providing voluntary motorcycle support and transport services on a donation basis. We are not a for-profit towing company. All assistance is provided by volunteers or nonprofit staff under this riders-helping-riders model.

Acknowledgment and Assumption of Risk:

I, the undersigned motorcycle owner/rider, acknowledge and understand that:

1. Moto Recovery is **not a commercial towing service** and does not assume responsibility for the safety, condition, or security of my motorcycle, gear, or any personal property during transport.
2. Transport of motorcycles may involve risks including, but not limited to: vehicular accidents, shifting loads, property damage, personal injury, or death.
3. I voluntarily accept all risks associated with transport by Moto Recovery and release Moto Recovery, its directors, officers, volunteers, and agents from liability for any loss, damage, injury, or death that may occur during or as a result of transport.
4. I understand that any insurance coverage for the motorcycle during transport remains the **primary responsibility of the motorcycle's owner, dealership, or lienholder**.
5. If I ride in the Moto Recovery vehicle during transport, I do so at my **own risk** and assume all liability for myself.

Release and Waiver:

By signing below, I agree to:

- Release, indemnify, and hold harmless Moto Recovery and its representatives from any and all claims, demands, causes of action, or damages arising from the transport of my motorcycle or myself.
- Acknowledge that all assistance is provided under a **donation-based, nonprofit model**, not as a paid-for service.

Acknowledgment of Donation Structure:

I understand that the suggested donation is used to cover operating costs and to fund rider safety programs and scholarships. Donations do not constitute a fee for service, and no guarantee of service is implied.
