

# EVIKA MUIZNIECE

Artist, fashion designer, producer,  
teacher

## SHORTLY ABOUT ME

I believe I can see the creativity, multiply the creativity and be the creativity myself. I like to challenge myself. It is important to me to see the bigger picture, the true value of the work I do, never forgetting that detail is in the detail.

My values are good intentions, honesty, transparency in communication. Sources of inspiration - life and folklore.
