## First Sunday of Advent

Paul told the Romans to do two things.  
To find out what he said, look at the number under the blank spaces in the words below.  
Use the code in which each number range represents a vowel to find which vowel to write in the blank.  
To check your answer, read Romans 13:12 in your Bible.  
Then draw an arrow from each saying to the shape that explains what it means.
