

SLEEP SURGERY BREAKOUT

NOVEMBER 13, 2026

RICHMOND HILTON HOTEL & SPA AT SHORT PUMP

Virginia Academy of Sleep Medicine

CONFERENCE DESCRIPTION

Sleep Medicine is a rapidly expanding field and this conference will provide attendees with an effective and efficient forum to keep up with the latest research and continually update their clinical knowledge.

TARGET AUDIENCE

Sleep Medicine Physicians, Physician Assistants, Advanced Practice Providers, Sleep Technologists, Dentists, Otolaryngologists, Other medical professionals, Residents and Medical Students.

COURSE OBJECTIVES

At the conclusion of this program, participants will be able to:

- Apply current evidence and treatment approaches for OSA, including pharyngeal surgery, PAP therapy timing, oral appliance titration, and orofacial myofunctional therapy
- Evaluate emerging tools and programs for sleep care, including patient-reported outcome measures, wearable sleep trackers, and multi-hospital sleep navigation models
- Identify recent research, clinical developments, and updated AASM guidelines shaping sleep medicine practice, including factors affecting treatment adherence

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The American Academy of Sleep Medicine and the Virginia Academy of Sleep Medicine. The American Academy of Sleep Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AASM designates this live activity for AMA PRA Category 1 Credits™:
Virginia Academy of Sleep Medicine 2026 - Maximum of 14.00

AASM Continuing Education Credits (CECs) for sleep technologists are offered for this live activity. AASM designates this live activity for AASM CECs:
Virginia Academy of Sleep Medicine - Maximum of 14.00
