

WELCOME TO OUR HOME

We take your family's safety very seriously. Out of an abundance of caution please follow the protocols set out below:

- Sanitize your hands before and after your tour
- Do not leave a business card
- Remove your footwear, but kindly wear socks
- DO NOT use the bathrooms
- Do not set anything on the counters, tables or furniture such as highlight sheets, your purse or any items you have brought with you
- Touch as little as possible. Allow your REALTOR® to open doors and turn on lights as required
- Please leave all lights on and doors open in the property, or as you found them upon arrival

THANK YOU FOR VIEWING.

We're working together to stay safe and healthy!
