THANK YOU FOR WEARING A MASK, LOUISIANA

We're now in Phase Two of the state's Roadmap to a Resilient Louisiana, with further easing of restrictions on businesses and activities.

If you choose to go out, make sure a part of your new normal is regular wearing of a face mask or cloth covering to limit the spread of COVID-19. Masking up is important anytime you're in a public space, especially when unable to maintain a 6-foot distance from others or when near high-risk individuals. This goes for everyone except children under the age of 2 and people who have breathing problems.

Also, stay away from places where others aren't masked up.

Thanks for doing your part to keep all Louisianans safe and healthy.

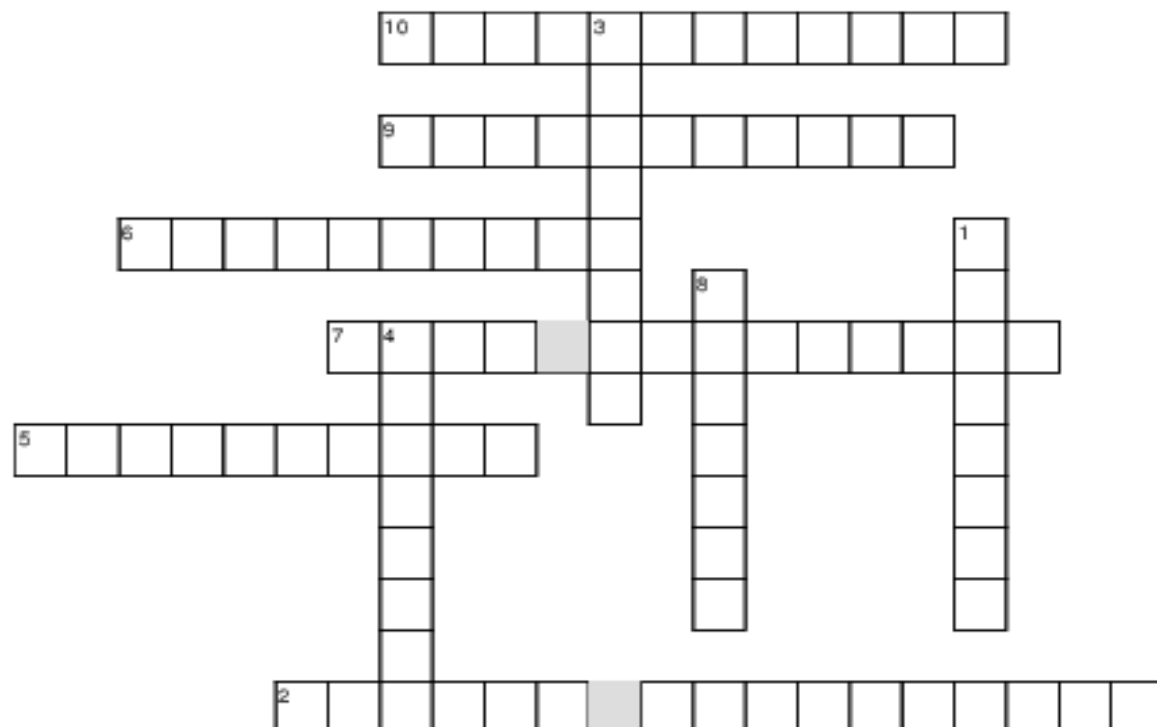

Corona Virus - COVID 19 Pandemic 2020

Name: _____

Date: _____

Student Task: Use the clues and the words in the box to complete this crossword. Paste this into your exercise books after you have checked and finished the crossword

Across

2. People should stay away from public spaces with large gatherings of people.
5. The amount of time it takes for an infected person to start showing symptoms,
6. A restriction of movement and isolation for those exposed to COVID 19.
7. To stay at home in isolation from the general public.
9. A large family of viruses that cause a range of illnesses ranging from the common cold to more severe diseases,
10. An individual is asymptomatic when they don't show any symptoms

Down

1. A virus is considered zoonotic when its origins can be traced to animals.
3. When an epidemic has spread to multiple continents or countries.
4. A large outbreak of a disease in a short period of time.
8. The infectious disease caused by the most recently discovered coronavirus
