Thank you to our outstanding Voter Service team for successfully planning and implementing 7 candidate forums and 7 voter registration events at area high schools this election season.

New registration locations included Kaneland High School and Central High School in Burlington.

Candidate forums were held in/for Burlington, St. Charles, Geneva, Batavia, Sugar Grove and Waubensee Community College. Truly a Central Kane County effort.

All of which would not be possible without the support of our wonderful members. Yay to those of us who showed up to do our part to ensure the continued success of our democracy.

*And a special thank you goes to Kelly Rotella. Great job, Kelly.*

**ACTION!**

Democracy is *not* just a system of government—it's the power of the people. It begins with us, our voices, and our votes.

Tuesday, March 4th, marks the President's Address to Congress. At a time when democracy is under threat, we're asking you - and countless folks across the country - to come together to defend it--to be a Light for Our Democracy. Please join us:
