ALL HANDS ON DECK

**Empowering
Voters
Defending
Democracy**

Voter Services have completed 5 of the 7 Candidate Forums. The last two, held at Waubonsee Community College and Central High School in Burlington have the potential of being contentious. As such, we need all hands on deck for community management. If you can be at one, or both, please sign up now! We know these locations are outside of our normal geographic area so carpool if you must...but sign up and show up. Please.

Committee Updates

STEP Committee (formerly the Mis/Dis Information Committee) is focused on the community's perspective of the League of Women Voters. We aim to remind voters that we are a trusted voice.

Specifically, the STEP committee goal is to:

- **SUPPORT** the mission of the LWV
- Earn the **TRUST** of the community
- **ENGAGE** the public on a non-partisan level
- **PROMOTE** the LWV to the public

*Next meeting is 3/12 25 at 6:30 pm
At the Messenger Library, North Aurora*

Membership Committee is hard at work updating our membership handout. Watch for more info to come.

National League has made some changes to how we pay our dues. As we come into the end of our year watch for details.

Communications Committee - In order for more people to see our content and for that content to have more reach, it is great when CKC members Like, Comment, and Share our content whenever you see it. *Go there now, like/follow/comment/share!*

Membership's Winter Social

Aurelios in Geneva

Thank you to all who attended our winter social. We had a great time and it was an opportunity to get to know someone you hadn't known before.

Responses to general questions and comments were positive and reaffirming about the role of Voter Services and LWV outreach. Here are the questions that we need to ask of all of you.

- What brought you to the League?
- What keeps you in the League?
- What were your expectations of the League, and are they being met?

Please share your comments.
