

# The Voter

Jan 15

2024

The League of Women Voters has a long history of education of voters. This year is no different. After a short respite, Central Kane County is hosting voter registration drives in local high schools as well as facilitating candidate forums in the community.

**Empowering  
Voters  
Defending  
Democracy**

Each event is important to a healthy democracy, and the success of each event depends upon us, the members of the Central Kane County League of Women Voters.

On this, Martin Luther King Day, the question is “Can we count on you?”

Join us for a Dutch-treat breakfast and priority setting for the year. Your input is important to our success.
