Summer always fools us into thinking, “finally, we can slow down”. But, much like in our own lives, CKC takes the summer to regroup, fine tune and gear up for the Fall. Especially when there’s such an important election season on the horizon.

While The Voter may be moving to a Second and Fourth Monday publication schedule, the work continues. July 1 starts the beginning of our membership “year” – so use the form attached here to renew now; Voter Registrar Training will be upcoming (watch for details); and our Migrant Committee is hosting an event June 19th.

As always, details to what’s happening can be found inside The Voter.

Annual Meeting Recap

Whether you attended our Annual Meeting last week, or just couldn’t make it fit on your already busy calendars, here’s a recap of what happened.

We reviewed and voted on our positions, programs and budgets. You can review the annual report (you would have received the Annual Report via email on April 17, 2024.).

Our males members with spouses.

Celebrating 50 years of men in the LWV

Our special guest, Joe Zeman, spoke to us regarding the history of the LWV, one many of us were unfamiliar. You can visit his presentation, here.

In collaboration with World Relief, the Migrant Committee is asking for local league participation in assembling "Welcome Kits". Each of the kits would have 4 gift cards of \$50 each from Aldi, Target, Walmart and a gas station.

Last week you should have received an email from fellow member, Susan Russo requesting your assistance as our League gathers items for our "Welcome Kit". Be sure you take a moment to review that email and contact Susan for more details, or to offer your donation/assistance. Donations are due soon, so be sure you act fast!

Member Interest Survey

Each new membership year, we gather information from our League members in an effort to

1. Ensure our membership is engaged in ways that matter to them;
2. Remind membership about the opportunities to be engaged; and
3. Update our membership contact info/preferred method of contact.

To that end, please take a moment to click on the graphic to complete the Interest Survey Google Form. If you've already submitted your Interest Survey in response to last week's email - you need not resubmit.

From local ballot issues to national races, voters count on nonpartisan, trusted sources of information to register, prepare for, and participate in elections.

As organizations with longstanding commitments to civic engagement and presence in communities across the country, the American Library Association and the League of Women Voters are joining forces to engage, inform, and empower voters. Hear from local League members and librarians who already collaborate on a variety of programs and activities, and learn how you can team up in your community. We will also share new resources and opportunities for greater collaborative impact in 2024 and beyond. Register to attend the May 29th webinar.
