2024

Today, June 24, 2024, marks the second anniversary of the Supreme Court's overturning of Roe v. Wade.

Across the country hundreds of thousands of women are joining in a day of action showing solidarity and support of equality for fellow women whether by active participation in an outright work strike, shopping at women owned establishments or by wearing red in solidarity...every effort counts.

How will you show your support?

HELP ST. CHARLES SAY "NO" TO COAL

On June 24 at 7 p.m., the Illinois Municipal Electric Agency (IMEA) will try to persuade St. Charles City Council members to renew the City's IMEA \$800 million contract for coal-generated electricity until 2055. The meeting will be held before the Government Services Committee in Council Chambers at the St. Charles City Hall, 2 E. Main Street.

We need to show IMEA and the St. Charles City Council that Tri-Cities residents want and deserve cleaner sources of electricity. Please support our fellow St. Charles League members and energy advocates by attending this meeting.

If you have any questions, please contact CKC League Member, Susan Russo, at (630) 346-2366 or at tricitescleanenergy@gmail.com.

To that end, please take a moment to click on the graphic to complete the Interest Survey Google Form. If you've already submitted your Interest Survey in response to last week's email - you need not resubmit.
