## LWV US 2024 CONVENTION WRAP-UP

CKC Attendee, Patti Lackman

Thirty-one Illinois Leagues were represented by 77 attendees at the 2024 LWV US Convention in Washington, D.C. last month. Patti recapped the 5 day event for us.

“This was my 5th US Convention. I found it totally inspiring as the electricity and positive vibes coming from the attendees was energizing. It is always fun to be in person and see fellow Leaguers that you may have only seen on Zoom....but feel as though you already have a relationship with them!” (Sometime you do - hello to former CKC member, Jean Pierce)

“I was especially interested in the youth programs and immigration. The youth programs in California, Maine and Oregon made me feel like there is more hope for our future as a nation.

When experiencing personally energizing efforts it is like being at a pep rally. You walk away in great spirits and know you can take on the bad juju and make the world a better place.

I always feel like we should be able to get more of our members to go to these events. Expense is truly a big issue.

I was proud to be a member of the LWVIL attendees. We are awesome !!!”

### Member Interest Survey

Each new membership year, we gather information from our League members in an effort to

1. Ensure our membership is engaged in ways that matter to them;
2. Remind membership about the opportunities to be engaged; and
3. Update our membership contact info/preferred method of contact.

To that end, please take a moment to click on the graphic to complete the Interest Survey Google Form. If you've already submitted your Interest Survey in response to last week's email - you need not resubmit.
