Come one, come all! Gun Violence Prevention Study

A foundation of League advocacy is a grassroots study of an issue.

In the 2025 Legislative session this spring there were over 80 pieces of legislation focused on this topic.

We'll join other Illinois LWV chapters in updating the LWVIL position through study and consensus. In collaboration with LWV Elgin Area and LWV Aurora Area we will schedule 3 study/consensus sessions, late August through mid-September, to answer 24 questions. Please indicate your willingness to participate by responding [here](#). *Note: you can participate in as many of the sessions as your time permits.*

Did you miss our Annual Meeting/Dinner? Here's a quick recap.

- We reviewed our committee actions and year's accomplishments (see graphic above);
- We reviewed the new dues structure and budget - and voted to accept the 25-26 Budget;
- We reviewed changes to the By-laws which included a new "succession" plan for co-Vice Presidents and co-Presidents - and voted to accept the changes; and
- We reviewed nominees for open Board positions - and voted for our new Board members.
