The committee shall perform the following tasks in the year:

1. The Teaching faculties shall perform the role of a Mentor. They shall help and advice the students regarding their studies.
2. Try and solve the problems of the students related to studies.
3. Problems of the students other than their study shall also be solved by the above team.
4. The non teaching staff members have specially been included in the team so that if problems of the students are related to their respective sections (Accounts, Scholarships, Availability of books, purchases of any kind), there is no further delay in solving the same.
5. Monitor & study the attendance of the students.
6. Look into the difficulties being faced by the students, if any.
7. Try & solve any other problems the students are facing.
8. Interact with the students to find out their grievances, if any.
9. Maintain a record of the activities carried out.
10. If needed the team may take the help of the Principal in solving the problems.
