

PEACH TREE PROJECT

~How to contribute 2019

Peach Tree Project is a dedicated organization that contributes to planting peach trees in Canyon de Chelly. Please find out more: www.eileenbrazielfineart.com

Your donation through iLSAF Foundation, the 501C3 organization is tax-deductible.

This year the Peach Tree Project will use your donations to purchase specific indigenous peaches that once occupied the canyon, plant, and maintaining the peaches through the Student Conservation Association who supports Native high-school students that stay in the canyon for three weeks and "Bring Life Back Into the Canyon," says Supervisor Wilson Hunter. <https://www.thesca.org>

A two hundred dollar donation adopts a tree in Canyon de Chelly. Please donate at galleryFRITZ in Santa Fe, during the Peach Tree Project art exhibition from August 10-

September 2 or on the website www.eileenbrazielfineart.com

Our goals in 2019 is to reach 100 new trees planted by spring 2020.

Also at galleryFRITZ in Santa Fe, 10% of all purchases at the Peach Tree Project curated art exhibition, *BARN BURNED DOWN NOW I CAN SEE THE MOON*, which includes artists and collaborations from Ron Garnanez Studio, Tony Abeyta, and Will Wilson Studio.

Please contact Peach Tree Project Principals, Pat Hall and Eileen Braziel, Creative Director Tony Abeyta for. More information: eileen@eileenbrazielfineart.com
