

Senior Meal Gap Program Application

During the COVID-19 pandemic, adults 65 years or older are considered to be part of the vulnerable population and should continue to stay at home. If you are a resident of Orange, 65 years or older, and are experiencing food insecurity as a result of the COVID-19 pandemic, you may qualify for the City of Orange Senior Meal Gap Program. Approved, eligible seniors will receive a total of \$250 worth of vouchers to local restaurants and a \$250 voucher for a local grocery store. The program is funded by the federal CARES Act and provided to the City of Orange by Orange County Supervisor Don Wagner. Applications will be accepted starting August 18 and will be reviewed on a first-received, first-approved basis. The Senior Meal Gap Program will run through December 18, 2020, or until funds are exhausted, whichever comes first.
