

EMPOWERING THE FUTURE

MGM TRANSFORMERS

POWER MEETS PRECISION

MGM Transformers, a leading manufacturer of custom-built transformers, has been delivering high-quality power solutions for over 50 years. Specializing in both low and medium voltage transformers, MGM Transformers provides innovative designs that meet the unique demands of commercial, industrial, and renewable energy applications. With a commitment to American manufacturing and superior customer service, MGM Transformers is known for reliability, efficiency, and excellence in every product.

Medium Voltage Transformers

BUSINESS APPLICATIONS: Data Center | Renewables | C&I

VACUUM PRESSURE IMPREGNATED (VPI)

Up to 10MVA, 35kV
DELIVERY: 16-18 WEEKS

OIL FILLED SUBSTATION

Up to 10MVA, 46kV
DELIVERY: 30-34 WEEKS

OIL FILLED PADMOUNT

Up to 10MVA, 46kV
DELIVERY: 30-34 WEEKS

Low Voltage Transformers

BUSINESS APPLICATIONS: Data Center | Renewables | C&I | Residential

POWER DISTRIBUTION UNIT

Up to 1.5MVA

Via partnership with PDU
Manufacturers:
DELIVERY: 12 Weeks

DATA CENTER SUBSTATION

Up to 2.5MVA

480-415v
DELIVERY: 16-18 Weeks

DRY TYPE 600V CLASS

Up to 2.5MVA

Global market
configurations available
DELIVERY: Stocked and
Made to order

MGM Transformers also supplies the following special applications products: grounding, triplex, solar duty, multi-pulse drive, high rise applications, auto transformers, marine duty, and retrofit.

EMPOWERING The Future

Transformative Facts

2,500+

Active Customers

We are trusted by some of the world's most demanding customers.

Microsoft

ExxonMobil

50 YEARS OF EXPERIENCE

MGM Transformers has 50 years of operating experience in transformer engineering and manufacturing.

\$4B+ INSTALLED BASE

MGM Transformers is the largest pure-play distribution transformer manufacturer in the US and showcases the broadest portfolio of transformer solutions in the industry today.

BULL RUSH PROGRAM

Provides expedited shipping with turnaround times as fast as 5 days, ensuring critical projects stay on track. Get reliable, high-performance transformers when you need them most.

Powerful Partner

Our Canadian partners are supported by **1000+** employees, **5** factories and **1.2M** square feet of manufacturing capacity in the United States and Mexico.

Toronto, Canada

Strategically located distribution center stocking **600v to 120/280** Low Voltage Dry-Type Transformers

Throughout the US, Canada, Mexico

18 stocking warehouses - Strategic manufacturing sales reps; same day delivery/pickup
