FACEBOOK – River Cities Tennis and Pickleball

The River Cities Tennis and Pickleball board has met and determined the memberships for the coming year. **Memberships run from October 1, 2025 – September 30, 2026.** Memberships reduce the cost of tennis and pickleball events, as well as support this community organization benefiting our area. The RCTA organization receives no outside financial assistance to operate. This facility operates solely on the memberships and costs of activities and events sponsored by the facility. Our communities are extremely fortunate to have this facility and with a board committed in keeping the costs low so that all people can participate. If you have questions regarding memberships, please direct them to Cindy or the R.C.T.A. board.

Membership Costs:
