

2025- 2026 Fall/Winter Pickleball Leagues –

Sponsored by: Clinton River Cities Tennis & Pickleball Complex

Location: RCTA facility

Starting in NOVEMBER 2025! Starting in January 2026!

League Play Determination: Players are divided by ability going from 2.5 (beginner) to 4.2+ (advanced).

There are opportunities for playing either in the morning or in the evening.

Play: Play will be round-robin doubles, 2-3 games to 11, win by 2. Each player will play at least once with every other player in the league. Players will monitor and self-referee own court. Balls will be provided for league play. Players will sign in each time that they play. If a player is unable to attend one of the dates, the player is responsible for providing their own substitute for the date of play. A substitute needs to play at the same level as the other players in the league, it doesn't have to be a person on the sub list. Substitutes do not pay to play. If a substitute is being used, please notify Cindy and give her the name of the sub. Players will have 2 matches on each date. Any time that remains on any date can be used for open play among league players.

Winner determination: 1) Number of matches won the individual and total number of points scored by the individual. If a tie persists then a one game tiebreaker will take place, randomly drawing for doubles players from the other players.

Cost: \$50 (member) \$55 (nonmember) – 8 playing dates

Awards: 1st and 2nd Place Medals

Registration fee: Due either before or on the first night of league play.

Questions: TEXT or speak to Cindy (563-249-3132) or email riversciestennis@gmail.com.

To sign UP! Either submit your name to Cindy or sign up in the entry at the RCTA!
