COMPETITION COURTS
STARTING NOVEMBER 1, 2025
9AM – 12PM

It's simple - arrive by 8:45 AM, select your preferred level of play and sign up so the schedule can be developed. If you arrive after 8:45 AM (and don't let us know in advance) you may not be eligible to play.

9AM – 12PM There will be courts for 3.0, 3.5, and 4.0+ playing ability (and possibly 4.2+, if needed). If you are not sure of your ability level, the scheduler for the day will determine that. Play will be a round-robin for each ability court, and you will partner with each of the players on the court. Scores will be kept to help determine future schedules. To ensure there are a variety of players on the various courts, people will move up and down between courts, based on their wins and losses.
